A. H. S. Newscast

Hi gang!

Well, it's been a rainy, dreary week, but it matches everyone's spirit. Report cards came out Monday. It's the last time we get them until school is out. I can hardly believe that the end of school is so close, and that means exams. Nice thought, isn't it?

The Monogram Club talent show was a great success. All of the students in school who possess talent were in it, and the result was an enjoyable hour of singing, dancing and acting. Along with the talent show there was a contest to pick Miss Appomattox High School of 1952. The five finalists were Virginia Herndon, Elizabeth Hatcherat, Sheila Thomas, Shirley Reynolds, and Marilyn Gulli. Shirley Reynolds was chosen as the winner.

The Senior classes of Pamplin and Appomattox High School were entertained at a tea given them by the

The tea was held from 2:00 to 3:00 o'clock and was thoroughly enjoyed by all. I am speaking on behalf of the whole Senior class when I say thank you ladies for an enjoyable hour.

On Tuesday the Blue Hornets played Randolph - Henry in basketball. The entire school was out to see Maymond Mitchell grab and hold a lead over the opposing team.

The Tri-Hi-Y held its regular meeting Monday. The Hi-Y boys joined us to hear a message from the Rev. T. L. Simpson, of Pamplin. After the message the meeting adjourned with the usual benediction.

The F. B. L. A. Club is sponsoring a spring dance Saturday at 8:00 o'clock. It will be held in the high school cafeteria and decorations will be on a theme of spring. This is the first dance we've had in a long time, so let's have a big crowd.

The S. C. A. district meeting will

Kenneth Jamerson and Betty Faye Burks will lead the discussion group on "Cooperation of youth for school curriculum." This covers the news for now, so until next week, I'll say so long.

If awards were to be passed out for 'size of a single fish', 'number of fish in a catch', 'prettiest', and 'enjoyment of fishing', we believe that Capt. Willie Rebecca Harvey, Camp Rucker, Physical Therapist would rank high among the lead ers.

Winter or summer, off duty hours Capt. Harvey can be found at Lak Tholoco with her pole in th water and her bait can beside her Her biggest smile came one day, last week, when she pulled in a four pound bass. She rarely comes home empty handed and cooks every fish she brings in.

"I believe patience is the biggest factor in bringing in a nice catch. Every member of our family fished from the time they were big enough to hold a pole," said Capt. Harvey. "I even bought an 8 acre farm and had a three acre fish pond built because there is nothing I love better than to have a leave and be able to go home for some steady fishing," she added.

AHS Needs One Victory For Title

Appomattox High School will seek its eighth straight baseball victory in Group II District IV league play Friday night at the Lee Ball Park here, when they meet a strong Madison Heights H. S. team. If Appomattox wins this game they will be champions of the district, and in an effort to cop the crown, Coach Gordon Bragg will send Calvin Tanner to the pitcher's box to hurl.

A. H. S. continued its winning way by gaining three more victories during the past week.

Both ends of a double-header were won here Friday, when the Blue Hornets downed Charlotte C. H. 3 to 0 in the afternoon on the school diamond, and then defeated William Campbell H. S. 1 to 0 that night at the Lee Park.

In the afternoon game, Bradley Mann allowed only two hits in winning. Ed Cawthorne hit a home run to lead the A. H. S. batters, driving in all of the scores. This was the season's first defeat for the Charlotte team.

Appomattox defeated the William Campbell H. S., Naruna, on Friday night, in one of the best games seen at Lee Park in several seasons. It was the season's first defeat for the Campbell County school. Calvin Tanner and Jack Elliott hooked up in a thrilling pitching duel and each pitcher gave up only one hit. The lone A. H. S. hit came late in the game from the bat of Carter Woodson.

Appomattox beat South Boston for the second time this season on Tuesday, at the high school diamond when they won by a 10 to 5 score. Maymond Mitchell was the winning pitcher. Ed Cawthorne and Teddy Mitchell each had two hits.—

Game time Friday night is 8:00 o'clock.

BEARCATS WIN

The Appomattox Bearcats won their game here Sunday from the Fort Hill team by a score of 9-3. It was their third win against no defeats. They will play Lynchburg City League (white) here, Sataurday at 3:00 p. m. and will play the Roanoke Clippers here Sunday at 3:00 p. m. Both games will be held in the Lee Theatre park.

Home Agent's Notes

(By Mrs. B. G. Anderson)

Almost everyday someone remarks "please tell me what foods make up the 'basic seven'. " A supply of these charts have been ordered and it is hoped that we will soon have sufficient number to give one to every homemaker desiring one. The Basic Seven food groups are: Group one, green and yellow vegetables for vitamin A; Group two, tomatoes, citrus fruits, raw fruits and vegetables for vitamin C; Group three, other fruits and vegetables, for minerals and other vitamins; Group four, milk and milk products, for calcium; Group five, meats, dried beans, etc., for protien; Group six, bread, cereal, enriched or whole grain for vitamin B and iron; and Group seven, butter or margerine for vitamin A.

Plan your meals to include at least one food from each group every day.

Sixty-six home demonstration club members, home agent, Mr. F. F. Carr and Mr. J. L. Harrison attended the District Federation meeting at Naruna last Friday from Appomattox county. Mr. F. F. Carr, president of District 3, presided at the meeting in a most charming manner. Mr. W. H. Daughtrey, associate Director of Extension, VPI, was the speaker for the morning session and Dr. Nina Pednicks for the afternoon session. We had sixteen home demonstration clubs represented. There are seven districts in District 3, and there was a total attendance of 450. The meeting was held in the auditorium-gym of the new high school building. Lunch was serged by the P.-T. A. in the new cafeteria. Miss Joyce Wingfield, Director of Public School Music, had her boys and girls render several numbers, which were greatly enjoyed by all.

The next District meeting will be held in Pittsylvania county.

Fifteen girls participated in this contest; each was sponsored by a local business concern. They were: Peggy Smith, Ann Franklin, Sylvia Burks, Loretta Doss, Ida Belle Harvey, Rosa Shupe, Mildred Ferguson, Beatrice Totty, Mazie Harvey, Peggy Taylor, Betty Childers, Nina Barlow, Joan Harvey, Ann Thomas, and Bertha Wheeler.

In addition to being sponsored by a local business place, each contestant for "Miss Ideal Secretary" was required to write a theme on her idea of the qualities of an "Ideal Secretary." The winner was chosen by the business classes.

Highest Homemakers Cost Is Food

Three meals a day were at the top of the spending list for Virginia families last year.

A summary of Virginia home account books compiled by Miss Helen Alverson, home management specialist at VPI, shows that the average annual expenditure for food for farm families last year was $522, with a range from a low of $150 to a high of $1,038. In the non-farm group, the average was $801, with a low of $763, a high of $1084.

Mrs. Average Farm Homemaker provides fresh food from the farm to supply about 2/3 of the food needs of the family. However, the average farm family did not use the recommended minimum amount of milk, even though it is right at hand and costs little compared to the cost to a town family.

In household operations, the farm homemaker spent an average of $231; the non-farm homemaker spent an average of $406. One family spent only $176 in this division; another spent $869. Miss Alverson explains the figure is high in many cases because of the added cost of running new equipment. Here is a place for "leaks" unless carefully watched, she notes.

Homemakers bought electric stoves more than any other piece of equipment;next came home freezers. The average amount spent for equipment was $196.

Most of the money spent for improvement of the farm house went for labor-saving devices, remodeling kitchens, and "clean-up" with paint and wallpaper. The average amount spent was $298.

According to the summary, wives spent more for clothing than did the husbands, and girls spent more than boys. The averages are: homemaker, $118; father, $91; girls, $82; and boys, $49. However, Miss Alverson explains that some clothing was made at home by half of the families reporting.

The average family spent twice as much for recreation as for education—$73 for education and $146 for recreation; and $193 in gifts to churches, welfare groups, community movements, and friends.

About 2/3 of the families reporting carry hospitalization. The average spent for medical care was $112.

McLean House Draws School Students Here

Two bus loads of school pupils have been among the visitor so far this week at the McLean House and National Park Service areas here.

On Monday, thirty boys and girls from the Abingdon, Virginia, High School visited the McLean House.

Tuesday afternoon a group of 33 fourth grade pupils from the Ruffner School, Lynchburg, in a chartered bus, toured the Old Court House area. They had visited Lexington, Va. that morning.

The National Park Service staff reports that special groups on tour are increasing in number now, and that all such guests are welcome at the historic area here. Tourists from distant states make it a point to visit Appomattox while in Virginia.

The McLean House is now open on Sundays. Although the McLean House is the top attraction, visitors enjoy touring the entire historic area, usually dropping in at the National Park Service office to register and secure historic folders, and to see the museum collection.

PATRICK HENRY BASEBALL LEAGUE

Pamplin divided with Brookneal Saturday and Sunday in the opening baseball games of the Patrick Henry League. Pamplin won 5 to 4 Sunday afternoon at Pamplin over Brookneal. Charlotte Court House won both of its opening games.

The Patrick Henry schedule this week-end: Saturday— Charlotte C. H. at Drakes Branch; Brookneal at Rutledge Store; Concord at Pamplin. This schedule will be reversed for the Sunday afternoon games.

'OLD CANNON NEVER DIE'

Old cannot never die, you just remount them on a new carriage. For many years, since the time of the late Congressman Hal Flood, two Civil War cannon have been displayed in the courtyard here. They actually were Federal and not Confederate in their history. Months ago Sheriff David T. Robertson noted the deteriorated condition of the carriages, and suggested to the county board of supervisors that the carriages be rebuilt. The work was done in Pamplin, and has now been completed. So this item on the court house should be good for a new lease on life.

WELFARE ROLLS CONTINUE DECLINE

The number of cases receiving Old Age Assistance in Virginia during March was the lowest since December 1949, the Department of Welfare and Institutions reported this week. For the first time in over two years, the number of persons over sixty-five on the Old Age Assistance programs dropped below 19,000, and is now well below the post-war peak of 20,073.

After a slight rise in February, the downward trend in the number of cases, which has been evident for the past year, continued in March.

AHS Newscast

Hi Fellows and Girls!

It's getting closer and closer to the end of school and tension and excitement is beginning to mount. Not too far ahead of us are those final exams and right after that, for the seniors, graduation. It won't be long now.

The F. B. L. A. had a big dance Saturday night. The decorations carried out the theme of spring. The lovely flowers and pastel shades of crepe paper turned the cafeteria into a fairyland. Along with the dance there was a contest to choose "Miss Ideal Secretary." The business places in town each sponsored one girl. These girls were rated on by the business students. Miss Allen crowned Peggy Smith as "Miss Ideal Secretary" at the dance.

The baseball team played Brookville Tuesday afternoon at the high school. The students were allowed to see the game in which Appomattox won 10-4. You played a wonderful game boys!

The Juniors gave their play Wednesday morning to the student body and to the public Wednesday night. The play was "Dad For A Day" and was made up of an excellent cast. It was very interesting and everyone enjoyed it imensely.

The Floyd Ward dance revue will be held in the auditorium Friday night. Local pupils will perform their dances and there will be visiting dancers. Sounds like a very interesting program. Don't miss it.

If the seniors seem very excited and worked up, don't be alarmed. The fact that they are going on the senior trip next week is the reason for the strange behavior. They will leave early next Friday morning for Washington, D. C. They will be gone from Friday until Sunday and are planning a big time. Mrs. Brown and Miss Allen will have charge of the trip.

This concludes the news for the week, but I'll see you again next week, same time, same place.

—PEGGY ELLEN COLE.
